Location: **The Point Restaurant at Grandpappy Point Park** on Lake Texoma, 1711 Harbor Road, Denison, TX 75020

Now more than ever, the Grassroots has the chance to take back America for working class people! Come and hear Nigel Farage talk about how Grassroots activists, like us, played an integral part in the Brexit movement in Great Britain. It led to Britain's independence from the centralized power of the European Union.

"The American conservative movement can take back this country by offering people a hopeful image of the future" says Nigel. His strong message of hope and his encouragement for conservative activists are proof that when all looks lost, the grassroots CAN fight their way back to victory!

The restaurant will be open for dinner so come early. Happy Hour is from 5 to 7. Join us for an encouraging and enlightening evening on beautiful Lake Texoma.

Nigel Farage, a veteran grassroots campaigner, was first elected to the European Parliament in 1999. He fought an inspirational battle for decades to take Britain out of the European Union. His staunch nationalism and unapologetic populism made him a darling of the working classes and a formidable opponent to the comfortably corrupt cronyism of the European Union in Brussels. His appeal to the forgotten men and women of Britain was instrumental in forcing the Brexit vote in 2016. He remained active in British politics to ensure that Brexit was eventually achieved in January 2020.

Reverend C. L. Bryant is a dynamic and highly sought after motivator, activist, Gospel Preacher, and film producer. He has been a minister for nearly four decades and spent time as a missionary in the Amazon. He has also worked in the financial sector for 25 years and is the former NAACP President for the Garland, TX, unit. C.L. currently hosts his own radio show and frequently works on other multimedia projects, including FreedomWorks' video series Real Talk.
